This stunning and expansive Las Terrazas unit in the Bahia building offers over 3,300 square feet of single level living space is one of the most desired properties in the community is now for sale.

B21 is one of the select units in Las Terrazas that has been recently upgraded with a larger terrace and has 3 bedrooms plus a den, which has been customized for larger families who will be delighted with this open floor plan on a single level.

Inside this large condominium there are many extras, highlighted by the custom furniture, tropical wood carpentry, built-ins throughout, natural stone flooring, updated kitchen with high end appliances and a granite island with breakfast nook. The outdoor kitchen and bar niche is the perfect spot to enjoy the expansive terrace and take in the Pacific Golf Course and blue sky views. The living room and kitchen have walls of large sliding glass doors, leading to the expansive 1,200+ square-foot terrace and outdoor dining area giving you the area ideal for relaxing outside in the comfort of your own home.

The master bedroom has direct access to two private terraces with wide open views from a king bed, and has an open walk-in closet space adjoining the expansive luxury master bathroom. The second bedroom has 2 double beds and the third bedroom has profession bunk bed design giving flexibility for family and guests.

This fully furnished this Las Terrazas unit includes 1 full parking space, a golf cart space, and a large den thoughtfully located off the main entry, and is conveniently located on same level as the parking area for easy access.
