Savor a sun kissed afternoon with sweeping views of the Banderas Bay from this presidential Zen Casita. This one of a kind three-bedroom townhome has an oversized corner lot location with endless bay views. This home is fully customized, and it is the largest Zen Casita in the community. Enjoy the light and airy atmosphere from your private terrace which features an L-shaped infinity pool, hot tub, lounging and dining areas, and an outdoor grill area with a built-in barbecue.

Experience the benefits of a superb indoor-outdoor living space. The interior of the home easily connects and opens to the terrace with large sliding glass doors, allowing the living areas to spill out into the outdoors.

Three commodious bedroom suites, each one featuring a private bathroom, offer comfortable elegance with premium finishes and tropical vibes. There are two bedrooms with king beds, including one with an al-fresco shower and one with ocean views, and one bedroom with two double beds and ocean views.

Situated minutes away from two **Jack Nicklaus Signature** golf courses and within the newly developed community of **Porta Fortuna**, home to the outstanding **Sufi Ocean Club** and the **Punta Mita Pier**, making this the best location to set out on thrilling ocean adventures like paddle boarding or watching the sunset during a romantic stroll on the beach.

Zen Casita X14 offers stunning views of the bay and world class amenities at your doorstep.
