

# SURF RESIDENCES 511

Located in the exclusive beachfront area of Surf Residences building 5, this stunning condominium offers uninterrupted ocean views from its outside corner position, free from neighboring structures. The main terrace is a haven of tranquility, featuring a private pool that invites relaxation while taking in breathtaking views of the Marietas Islands and Bahía de Banderas.

Inside, the design seamlessly blends indoor and outdoor spaces, creating a sophisticated yet welcoming atmosphere. The spacious social area, with spectacular ocean views overlooking the jungle, ensures both relaxation and entertainment are second to none.

Designed with privacy and elegance in mind, this exclusive residence offers four generously sized bedrooms, each thoughtfully crafted for maximum comfort. Additionally, the condominium is sold fully furnished, with carefully selected pieces that complement both its style and functionality.

Just steps from your doorstep, you will find a private clubhouse, direct beach access, and the iconic El Surf Club. Surrounded by lush gardens and meticulously designed landscapes, this coastal oasis embodies the essence of luxury living, perfectly blending modern sophistication with the natural beauty of Punta Mita.
