

CASA LA VIDA

 *Punta Mita*
PROPERTIES

Casa La Vida captivates from the moment you arrive, with a serene interior courtyard featuring a stone pathway leading to a tranquil fountain adorned with lily pads, framed by a striking two-story turreted entrance. Inside, the expansive great room offers breathtaking ocean vistas, soaring double-height ceilings, and an open, light-filled layout designed for both grand entertaining and relaxed living. The kitchen, anchored by a substantial island, seamlessly connects to the great room and frames uninterrupted views of the Pacific.

This exceptional estate includes a two-car garage and a motor court accommodating five-plus vehicles, perfectly blending convenience with elegance.

Situated on a generous, private lot, Casa La Vida faces south, capturing sweeping coastal views that stretch across the Bay of Banderas to Puerto Vallarta, offering an unparalleled sense of seclusion, luxury, and serenity.
